

SUGGESTED SUBJECTS FOR SPECIFIC DEGREES

| Degree Subject | A-Level Subjects Required | A-Level Subjects Suggested |
|------------------------------------|---|---|
| Medicine | Biology, Chemistry | Mathematics, Physics, Psychology |
| Law | None (often any subjects acceptable, but preferred: English, History) | History, English, Politics, Philosophy |
| Engineering (General) | Mathematics, Physics | Further Mathematics, Chemistry, Design & Technology |
| Business Management | None (commonly any subjects) | Mathematics, Economics, Business Studies, Accounting |
| Computer Science | Mathematics, Computer Science (preferred) | Further Mathematics, Physics, Design & Technology |
| Economics | Mathematics | Further Mathematics, Economics, Business Studies |
| Psychology | Psychology (if available), Biology or Sociology | Mathematics, Chemistry, Geography |
| Architecture | Mathematics, Physics or Art (sometimes required) | Art & Design, Physics, Design & Technology, Geography |
| Accounting & Finance | Mathematics (often required) | Economics, Business Studies, Further Mathematics |
| Politics | None (but subjects like History, Government & Politics are advantageous) | History, English, Sociology, Economics, Philosophy |
| Veterinary Science | Biology, Chemistry | Mathematics, Physics, Psychology, Geography |
| Philosophy | None (but subjects like History, English, or Religious Studies are helpful) | English, History, Politics, Sociology, Religious Studies |
| Sociology | None (but English or History can be helpful) | Psychology, History, Geography, Politics, Religious Studies |
| History | None (but History is often recommended, occasionally required) | English, Politics, Geography, Philosophy, Economics |
| Mathematics | Mathematics, Further Mathematics (often required) | Physics, Computer Science, Economics |
| English Literature | English Literature (or English Language & Literature) | History, Sociology, Philosophy, Theatre Studies |
| Fine Art | Art & Design | Photography, History of Art, Design & Technology, Drama |
| Media Studies | None (but subjects like English, Drama, Art & Design can be helpful) | English, Art & Design, Film Studies, Sociology |
| Geography | Geography | Biology, Chemistry, Physics, Mathematics |
| Linguistics | English, or a language | Languages, English, Psychology, Sociology |
| Drama & Theatre Studies | None (but English or Drama is recommended) | English, Music, Art & Design, Sociology |
| Sports Science | Biology (often required) | Chemistry, Physics, Mathematics, Psychology |
| International Relations | None (but History, Politics, or Geography are useful) | Economics, Geography, Politics, History, Philosophy |
| Environmental Science | Biology, Chemistry | Geography, Mathematics, Physics, Environmental Studies |
| Dentistry | Biology, Chemistry | Mathematics, Physics, Psychology |
| Anthropology | None (but Sociology, Geography, or History are beneficial) | Psychology, History, Geography, Sociology |
| Criminology | None (but Sociology, Psychology, or Law are helpful) | Law, Sociology, Psychology, Government & Politics |
| Nursing | Biology, Chemistry (often required) | Psychology, Sociology, Health & Social Care |
| Civil Engineering | Mathematics, Physics | Further Mathematics, Design & Technology, Chemistry |

All universities have different entry requirements. This table is just a guide and there will be exceptions.

Suggested Subjects: While not mandatory, these subjects can strengthen an application.

General Requirements: Many universities accept a range of subjects, but specific course content may require certain background knowledge, particularly in subjects like Medicine, Law, and Engineering.
